

Dear Friends and Benefactors,

We are very grateful to God for the grace filled year of 2016 for all the girls of St. Peter's Orphanage. Last year we have experienced God's love through many events.

We have started our journey at St Peter's with five new girls. They are Pronomy, Payel Priti Rose and Diba.

In the month of February a few number of girls from St. Martha's Hostel, Sreemongal came to our orphanage to join the pilgrimage of Mother Mary in Diang. It was a good chance to meet with other tribes and learn something new for them. At the same time four of our girls Shufola, Prianka , Malisa and Maria wrote S.S. C. exam. After their exam Malisa and Maria went back to their home and Shufola and Priyanka were with us till April.

After two and half month they got their result and all of them did well. Among these four Shufola and Priyanka did very well , both of them got 'A' Grade and the other two got 'A-' and 'B' grade.

In the month of June during summer vacation the girls who studies above class six, went to Sreemongal for excursion. They had a very good time there. They had a different experience of cleanliness and arrangement there. It was a good chance for the girls of our orphanage as well as for the hostel girls too, to have sharing of their thoughts and dreams of life; aim in life and one type of enculturation had been done there.

At the end of July their fist evaluation test started at school. Some did well and others could not manage to do so.

During Ramadan holiday some girls went for holiday. During puja holiday girls studied here and as nine of class five girls wrote PSC Board exams and 5 of class eight girls wrote their JSC Board exams. We have only one candidate this year. That is

At the end of November all the girls finished their annual Evaluation test. Most of them did well except 4 girls, who did not pass.

At the middle of December all the girls went to their relations except our real orphans to enjoy the Christmas holiday. We arrange a party for them and had a good meal altogether.

Dear Friends we are very much thankful to you all for your love and concern to our girls. May God give you in return the gifts and rewards for all your work of mercy towards our girls.

Thanking you

Sisters Liza and Pushon RNDM.
